Pedders has recently introduced a series of urethane bushing bulk pack kits to help solve common fitment issues. These bulk packs contain all the bushes you need when replacing either the rear leaf springs on these selected Landcruiser models.

Don't get caught out! How many times have you had your customers Landcruiser in bits only to find that you need more bushes? It happens to all of us and this is why we have created these kits. You simply select the bushes you need from the bulk pack and fit them accordingly. Problem solved!

#### Features and Benefits:

- Solve common fitment issues for rear leaf spring replacements.
- Made from compliant urethane for smooth ride.
- Save time – bulk pack delivers all the bushes you need to get the task done.
- Saves money
- Direct OE fitment.
- Quality construction.
