

At the forefront of sports suspension is Pedders eXtreme XA, height adjustable coil-over built to Pedders stringent quality standards. Pedders eXtreme XA features sports calibrated tunable damping, motorsport coil springs individually tuned to suit each application and a host of other high performance features including engineered mounting bracketry. The eXtreme XA is the pinnacle of performance suspension technology and the flagship of Pedders' SportsRyder range of specialist performance suspension products. Pedders eXtreme XA is the result of Pedders Suspensions commitment to being a leader in the steering and suspension industry with outstanding product success in both the motorsport arena and sports performance markets. The Pedders SportsRyder eXtreme XA adjustable coil over features a 30 position adjustable bump and rebound damping setting at the **CLICK** of a button which enables you to fine **TUNE** your suspension for whenever you want to **PLAY**.

Integrated dust boot to minimize contamination and protect shaft and seal

30 Position adjustable bump and rebound damping

Alloy steel motorsport coil springs

Fully threaded Mono-tube body

High grade T6 aluminium spring seats

Fully adjustable high grade steel lower mount for height adjustment

Factory style bracketry for direct fitment

....Click. Tune. Play

Pedders SportsRyder Supercar Adjustable Coilover Kit offers eXtreme ride control for the hardcore enthusiast. SportsRyder Supercar Coilover kits are the most advanced solution for your Holden VT to VE and Ford BA to FGX Falcon sedans.

The separate bump and rebound adjustment allows the driver to dial in the “setup” of the cars handling balance just like the race teams do.

Add to that full height adjustment from the base mounts that maintains bump and droop travel on all four corners and you have a premium suspension system, tuneable to individual needs.

At Your Fingertips.***

SPORTSRYDER

Few companies have played such a significant role in street and performance car culture as **Pedders**. In its highly specialised field, Pedders has continually set new benchmarks for precise vehicle balance, optimum traction and maximum street appeal since the 1950s. Today, Pedders' **SportsRyder** range represents the ultimate in performance suspension, alignment products and brakes. **SportsRyder** products, when integrated into a fully balanced **SportsRyder** system make a great enhancement to a vehicle's handling and safety.

SportsRyder coil springs, bushes, shocks, sway bars, sway bar links, strut mounts, struts and brakes improve traction, ride quality, turn-in and cornering ability with greater steering precision and stability under braking. With **SportsRyder** products, you can minimise body roll, reduce pitch and float, extend the life of your tyres and gain a greater safety margin in performance driving conditions.

Warranty

Official Partner

As with all Pedders products even coilovers come with our 2 year or 40,000km nationwide guarantee of quality, so ask your coilover expert which bush would be better suited to your application.

Some exceptions apply. Please contact your local store for further information.
