

## NEW PRODUCT

### PEDDERS TRAKRYDER REAR DISC BRAKE CONVERSION KIT

#### TO SUIT Mitsubishi Triton MQ, MR, 2wd and 4wd with ABS

Pedders are proud to officially release our drum to disc brake conversion kits to suit the rear of the Mitsubishi Triton MQ, MR, 2WD and 4WD models. Kit suits ABS models only.

**PART # PBCK005**

**INCLUDES**  
 Pedders TrakRyder  
 Geomet Coated  
 & Slotted Brake  
 Rotors

**INCLUDES**  
 Pedders TrakRyder  
 Kevlar Ceramic  
 Brake Pads

Independent Australian engineering test results proved that at 100km/h the TrakRyder rear disc braking system stopped sooner than original equipment requiring just 50% of the braking force. An amazing result that enhances load carrying and towing performance. The kit is inclusive of all of the necessary hardware to update the rear drum brake to Pedders TrakRyder Rear Disc Brake. Kit includes a pair of Pedders TrakRyder Geomet coated and slotted disc brake rotors, and a set of TrakRyder Kevlar Ceramic brake pads.

#### Key Features & Benefits:

- Easier inspection. The car owner does not have to remove the wheels to look at the disc brake system.
- Increased stopping power over drum brakes. Smaller pad area, but more clamping efficiently. Brake pedal feel and modulation are improved.
- The disc brakes are completely self-adjusting and have less moving parts.
- It takes longer for the disc brake to achieve brake fade, because they have a wider surface area that is directly exposed to air.
- Disc brakes drain water quickly whereas once water enters a drum brake, it stays there longer hindering braking efficiency.
- Brake mounting is very easy. Only two bolts are needed to be removed to replace brake pads.
- Kit is inclusive of all of the necessary hardware to update the rear drum brake to ad Pedders TrakRyder Rear Disc Brake. Kit includes a pair of Pedders TrakRyder Geomet coated and slotted disc brake rotors, plus a set of rear TrakRyder Kevlar Ceramic brake pads.
- ADR certified – Extensively tested to support our Australian design rule certification.
- Fitting instructions supplied.
- 2 Year 40,000kms Nationwide Warranty.
