

Jeep Gladiator GVM Upgrade Solution:

If your customers Jeep Gladiator carries heavy loads or if they are serious when it comes to packing equipment for the jobsite then look no further! Pedders has the solution for you.

Pedders now offers a GVM+ upgrade solution for Jeep Gladiator models to assist in compliance for GVM ratings. Through exhaustive and detailed testing, the Pedders GVM Upgrade Kits have been approved by the (Commonwealth) Department of Infrastructure and Regional Development.

Further to this is confirmation from the ATO that a Gladiator fitted with a Pedders GVM upgrade prior to first registration is not subject to Luxury Car Tax and may be eligible under the Federal Governments instant asset write of scheme.
